THE JOURNAL OF THE BRAZILIAN CRUSTACEAN SOCIETY

Aims and Scope

The *Nauplius* publishes original articles based on research in any aspect of crustacean biology, including taxonomy, phylogeny, morphology, development, physiology, ecology, biogeography, bioenergetics, aquaculture and fisheries biology. Review articles with bold proposals showing original conclusions or approaches are encouraged.

The manuscripts submitted to this journal must have not been submitted to another periodical. Reproduction of articles published in the *Nauplius* is forbidden without previous written authorization by the Editorial Board of this periodical.

Instructions for the preparation of manuscripts are located on the inside back cover.

Manuscripts should be submitted to the Editor of *Nauplius*:
