Contents Volume 21(2) – 2013

Printed and Distributed in December 2013

## ECOLOGY

- Lourdes M. A. Elmoor-Loureiro** 131 - 136  
Distribution of the cladoceran *Bosmina huaronensis* Delachaux, 1918 and niche differentiation among populations from different biogeographic regions

## POPULATION BIOLOGY AND REPRODUCTION

- Israel F. Frameschi, Luciana S. de Andrade, Carlos E.R.D. Alencar, Vivian Fransozo, Gustavo M. Teixeira, Lissandra C. Fernandes-Goés** 137 - 149  
Shell occupation by the South Atlantic endemic hermit crab *Loxopagurus loxochelis* (Anomura: Diogenidae)
- Salise B. Martins, Setuko Masunari** 151 - 159  
Temporal distribution in the abundance of the fiddler crab *Uca (Leptuca) uruguayensis* Nobili, 1901 (Decapoda: Ocypodidae) from Garças River mangrove, Guaratuba Bay, southern Brazil
- Fabiana A. do Nascimento, Fernando J. Zara** 161 - 177  
Development of the male reproductive system in *Callinectes ornatus* (Brachyura: Portunidae)

## BIODIVERSITY, SYSTEMATIC AND TAXONOMY

- Carlos E. Paz-Ríos, Nuno Simões, Pedro L. Ardisson** 179 - 194  
Intertidal and shallow water amphipods (Amphipoda: Gammaridea and Corophiidea) from Isla Pérez, Alacranes Reef, southern Gulf of Mexico
- Fosca P.P. Leite, Silvana G.L. Siqueira** 195 - 204  
*Houstonius wakabarae* sp. nov. (Amphipoda, Amphilochidae) from the southeastern coast of Brazil
- Michel E. Hendrickx, Francisco Solis** 205 - 209  
New record of *Clypeasterophilus stebbingi* (Rathbun, 1918) (Decapoda: Brachyura: Pinnotheridae) from the east coast of Nicaragua
- Sandro Santos, Carlos G. Jara, Marlise L. Bartholomei-Santos, Marcos Pérez-Losada, Keith A. Crandall** 211 - 223  
New species and records of the genus *Aegla* Leach, 1820 (Crustacea, Anomura, Aeglidae) from the West-Central region of Rio Grande do Sul, Brazil
- Luis D. Santana-Moreno, Sammy De Grave, Nuno Simões** 225 - 238  
New records of caridean shrimps (Decapoda: Caridea) from shallow water along the northern Yucatan peninsula coasts of México

## SHORT COMMUNICATION

- Carlos Lira, Juan Bolaños, Yrving Zabala, Régulo López** 239 - 241  
A case of malformation on the third maxilliped of *Uca rapax* (Smith, 1870) (Decapoda: Ocypodidae)
